

TZANEEN. 12/5/33

My dear Beile,

I have received yesterday afternoon your air mail letter of the 9/5/33.

There were no letters from Jerry this week to me.

As regards the detention of the Moscow Daily News copies from Jerry, and which have been sent on to Pretoria from Capetown, I really cannot help smiling over it. I suppose they contain the famous Metro-Vicker trial, and this would account for these being detained. ~~AT PRETORIA~~

I have written and herewith enclose a letter to the Pretoria Post Office, which together with the advise from Capetown you will, I suppose, have to attach the two together and post these on to Pretoria. I do not suppose that you will get it, anyhow. It is however interesting to see as to whether they will return same or not.

I have not seen the Moscow News for a very long time, and as a matter of fact, I have given up reading that kind of stuff for a very long time. I have, however, been told that they do not allow this paper to come through, anymore. To what extent this is so, I do not know. If this is correct, it will account for their not delivering the above paper.

In any case, I very much doubt, if you will get this paper from Pretoria, and accordingly the application, is but a sheer waste of time.

It is however a very stupid way of doing things, for it makes a person so inquisitive, since it is nothing but violent propoganda, and one must be a dupe to believe it.

It is terrible "muck" of course, and I suppose there are fools who will believe it, and hence the reason for their stopping same.

This will do this morning.

Kind regards.

*Jerry*
